Work Spaces

Now more than ever we understand the need for our clients to stay agile, keep flexible and control their costs. We will take the time to work with every business to ensure they have the right type of space to thrive in a risk free environment where they can fully focus on success.

Collaboration Spaces & Meeting Rooms

With a spacious business lounge and stunning meeting room, the working environment in Arena Ferndown creates space away from your office to engage with the team, collaborate together and generate your best ideas.

Choose your Workspace

3-10 Desks

Let us help you make a smart move. Whether you are looking to move your office out of home, find a 5 desk workspace or create a new satellite office we will work consultatively to find the best solution for your business.

10-20 Desks

The range of workspaces within this category are designed to achieve cost and space efficiency whilst giving our clients freedom to scale the business on their terms. With short terms agreements creating complete flexibility and agility.

Customising your space

We understand the importance of making the right move, so we help every step of the way. Using our knowledge we work with clients to create a space that truly works for them utilising every sq ft cost effectively. Whether that's creating meeting areas, accommodating a server room or making single offices – we recognise every client is unique.

A bespoke design service

Great design is at the heart of every Arena, so we make sure our office space is too. We collaborate with the best in the industry to deliver a design service for our clients that will inspire new ways to use their space creatively, collaboratively and considerately.

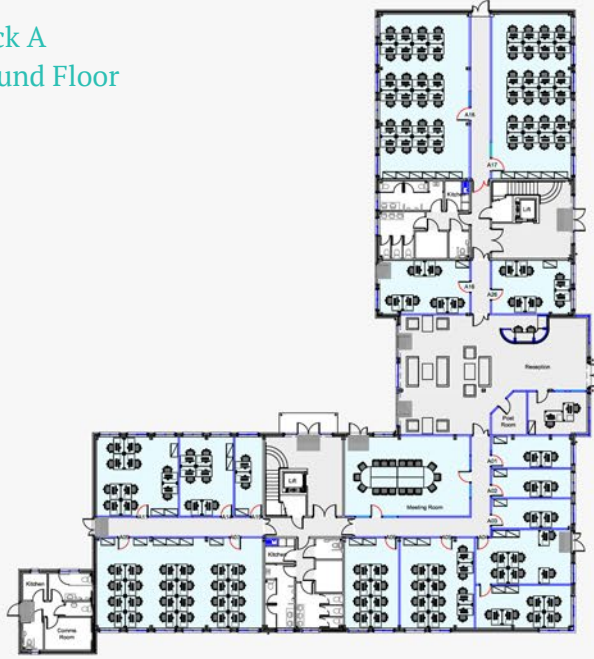

Safe working environments

Arena are committed to providing safe and flexible office environments that allow our clients to work with confidence and ease. Our priority now more than ever is to deliver safe, flexible office space that enables our clients to stay agile and adapt to an ever-changing landscape.
