Choose your Workspace

3-10 Desks

Centred around the glass atrium, the offices are light filled to ensure you can be at your most productive. Whether you are looking to move your office out of home, find a 5 desk workspace or create a new satellite office, let us help you make a smart move.

10-20 Desks

The range of workspaces within this category are designed to give our clients freedom to scale their business in a risk free way. We help to achieve cost and space efficiency whilst creating complete flexibility.

Customising your space

We understand the importance of making the right move, so we help every step of the way. Using our knowledge we work with clients to create a space that truly works for them utilising every sq ft cost effectively. Whether that's creating meeting areas, accommodating a server room or making single offices – we recognise every client is unique.

A bespoke design service

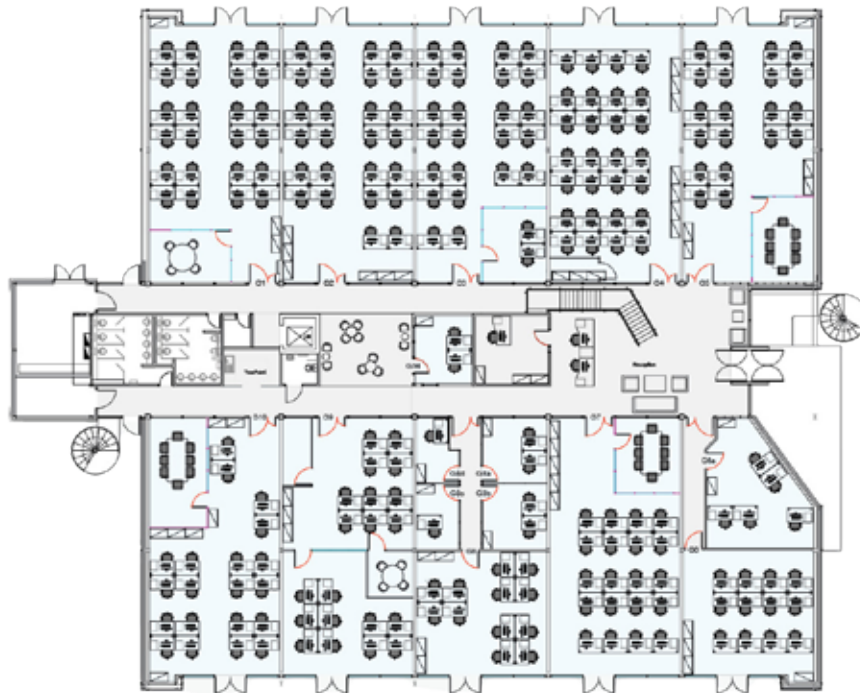

Great design is at the heart of every Arena, so we make sure our office space is too. We collaborate with the best in the industry to deliver a design service for our clients that will inspire new ways to use their space creatively, collaboratively and considerately.

Safe Working Environments

Arena are committed to providing safe and flexible office environments that allow our clients to work with confidence and ease. Our priority now more than ever is to deliver safe, flexible office space that enables our clients to stay agile and adapt to an ever-changing landscape.
