A Smarter Alternative to a Lease

A Managed Office with Arena delivers the control and identity of a private headquarters without the risk and complexity of a traditional lease.

Most commercial offices operate under a Full Repairing and Insuring lease, transferring long term repair obligations, insurance costs and exit exposure to the tenant, whereas Arena Managed Offices are occupied under a Licence to Occupy combined with a fully managed service designed to simplify occupation and remove property risk.

Traditional Lease

- Long-term legal interest
- Capitalised on balance sheet
- Tenant responsible for repairs & maintenance
- Tenant funded insurance
- Dilapidations at exit
- Stamp duty & legal fees payable
- Fixed term commitment
- Variable cost exposure

Arena Managed

- Licence to Occupy (contractual right)
- Typically expensed
- Arena retains building responsibility
- Insurance included
- No dilapidations liability
- No stamp duty or legal fees
- Greater flexibility
- Predictable monthly cost

The independence of a traditional lease with the simplicity of managed space. A substantial private suite, branded and configured around your business - while Arena manages the building, infrastructure and compliance.

Private
